

introducer, Senator Chambers, favors would not be very favorably looked at. So with that I would ask you to exempt the police officers and adopt the committee amendments.

SENATOR NICHOL PRESIDING

SENATOR NICHOL: You are now voting on the committee amendments. All those in favor vote aye. Have you all voted?

CLERK: Senator Nichol voting aye.

SENATOR NICHOL: Please vote. Record, please.

CLERK: 26 ayes, 0 nays on the adoption of the committee amendments, Mr. President.

SENATOR NICHOL: The committee amendments are adopted.

CLERK: Mr. President, Senator Chambers now moves to amend: To establish a cash fund into which shall be deposited all funds generated by LB 823.

SENATOR NICHOL: Senator Chambers.

SENATOR CHAMBERS: Members of the Legislature, this bill will generate funds as a result of the fees for licenses and registration but inadvertently no provision was put into the bill to establish a cash fund into which these fees would go. So that is the purpose of this amendment and I move for its adoption. It was brought to my attention by somebody from the fiscal office so that they can get their credit for being on the job.

SENATOR NICHOL: Senator Marsh, did you speak to this amendment? The question is Senator Chambers' motion. Please vote on that, please.

CLERK: Senator Nichol voting aye.

SENATOR NICHOL: Senator Marsh, you didn't want to speak on this motion. Did you?

SENATOR MARSH: Excuse me, while we are waiting for the last votes I would like to remind the members of the Committee on Committees. We need to ask to be excused now. The Speaker has given permission for us to do so to go down to our meeting, have it take even shorter time and get back up here so that we can help with the voting. Members of Committee on Committees, please meet right now in Room 1520. Thank you, Senator Nichol.
